Answer key

Take From Problems

to 20

Read each story. Write the answer.

1. Sam has 9 cookies. Sam gives 8 cookies to Raj. How many cookies does Sam have left?

1

9 − 8 = 1

---

2. Ted has 13 stamps. Ted gives 6 stamps to Lin. How many stamps does Ted have left?

7

13 − 6 = 7

---

3. There are 7 rocks on the table. Ben takes 3 of them. How many rocks are left on the table?

4

7 − 3 = 4

---

4. Tom has 13 balls. Tom gives 9 balls to Pam. How many balls does Tom have left?

4

13 − 9 = 4

---

5. Eva has 6 shells. Eva gives 4 shells to Kim. How many shells does Eva have left?

2

6 − 4 = 2
