Name _____ Date _____

Read the Facts

nonfiction

Read. Circle the answer. Write a fact.

Kangaroos

Kangaroos live in Australia. A kangaroo hops on its big, strong back legs. Its long tail helps it balance. A mother kangaroo has a pouch on her belly. Her baby is called a joey. The joey grows and stays safe inside the pouch.

1 **How does a kangaroo move?**

swims | hops | crawls

2 **Where does the joey grow?**

the pouch | a nest | a cave

3 **Write one fact.**

_____

Answer key

Read the Facts

nonfiction

Read. Circle the answer. Write a fact.

Kangaroos

Kangaroos live in Australia. A kangaroo hops on its big, strong back legs. Its long tail helps it balance. A mother kangaroo has a pouch on her belly. Her baby is called a joey. The joey grows and stays safe inside the pouch.

1 **How does a kangaroo move?**

swims | **hops** | crawls

2 **Where does the joey grow?**

the pouch | a nest | a cave

3 **Write one fact.**

Her baby is called a joey.
